Supported Living Services in Bath & North East Somerset

"I am enjoying being a part of the Supported Independence family"

James, Client

We offer a wide variety of supported living services for individuals with:

- Mental health problems
- Learning disabilities
- Challenging behaviour
- Autism / asperger syndrome
- Alcohol and substance abuse

By giving our clients the right type of 'needs led' service at the right time our aim is to enable individuals to:

- Manage and improve their mental and physical health
- Become more confident in themselves and within the community
- Develop a wide range of independent skills
- Require less support
- Have the opportunity to manage their own tenancy (see Step 3 Outreach Services)

All our accommodation-based services offer a 'basic package' of support, plus an agreed one to one support to meet their individual needs. The basic support package includes:

- 2 - 3 hours of general support each day

which includes support with cooking, medication and socialising.

- Manager available Monday to Friday 8am - 6pm
- A 24 hour emergency on-call service

In addition, sleep-in staff and 24/7 cover are provided at our supported living services Chester House, Westbury Road, St Marks Church House and Kelly House in Bristol.

Each client is encouraged to achieve their own agreed level of personal independence with support decreasing over time. To support this specialist service we have a dedicated, experienced and highly qualified staff team who are committed to ensuring quality service provision.

Our Step 2 Service

**Mount Road
Bath**

**Keynsham House
Keynsham, near Bath**

"In 3 years I have moved from residential care, via supported living into my own flat, I will be finishing with support soon as I have gained the skills and confidence to do things alone"

Annie, Client

Bath House provides a safe and secure environment for adults with mental health needs and learning disabilities. This stunning house accommodates 5 tenants, with excellent sized bedrooms, shared lounge. A lovely detached old farmhouse, it has a homely garden and it's own art room. It is situated between Southdown and Englishcombe, proximal to both the country and also to shops. Regular buses approximately 20 minutes to the centre of Bath run close to the house. Nearby is also a GP surgery and NHS dentist, as well sports facilities including a swimming pool. Bath House also provides an outreach service for more independent clients, see step 3 for more information.

Specialist Aspergers Service

This supported living service is for clients who want to live in a shared, stable environment.

The Brambles is located in Keynsham, close to a wide range of community facilities and just a short distance from the countryside. This three bedroom house has all the mod cons and provides a homely environment for three clients.
