

Step 2 Supported Living Services in South Gloucestershire

Supported Independence is a specialist mental health and learning disabilities provider

These services cater for:

- People with mental health problems
- Adults with learning disabilities
- Young people at risk
- Young people leaving care
- Challenging behaviours.

Rowan Lodge in Filton

Rowan Lodge is a shared house providing support for 7 service users. It has 4 studio flats and 3 bedrooms with shared facilities.

All our accommodation-based services offer a 'basic package' of support plus an agreed package of one-to-one support to meet their individual needs. The basic support package includes:

- Manager available Monday to Friday 8am – 6pm
- 4 hours of general support each evening which includes support with cooking, medication and socialising.
- A 24 hour emergency on-call service

This service focuses on developing the service users independence, with clear outcomes, so that they can move to our Step 3 Outreach Services. This service is provided by a friendly, highly motivated and skilled staff team.

Supported Independence also has a wide range of accommodation based services in Bristol and Bath & North East Somerset, a number of these provide 24 hour support. For further information, please view the other Step 2 Supported Living Brochures.

All service users can benefit from a wide range of social and educational activities. Please see our main activities brochure.
